

Flow diagram of Early Health Notification process

Health Practitioner completes online form or paper version of early notification while or after speaking with parent about concerns

Online form comes straight to HBC early years team or paper versions emailed to early.years@halton.gov.uk

Early Years team receive form and collate information & update our database

EY team then make contact with family to start the connection and brokage of support for placement of child in a childcare setting

The EY inclusion panel will then monitor & support & signpost where appropriate until child is within a setting
