

PRIVACY NOTICE FOR

Heath Improvement Team - Training

Data Controller

Halton Borough Council is the Data Controller for the personal information you provide.

The Council's Data Protection Officer can be contacted on 0151 511 7003 or by email to Johnathan.greenough@halton.gov.uk

Why do we collect and hold information about you?

The information we collect from you enables you to register to attend either a face-to-face training session or online training session delivered by Halton Health Improvement Team and also receive updates following the training. Training may be tailored to suit attendees so we may require detailed information about each attendee.

Why do you need my information?

The information is needed to register you and send you updates and information before and after our training sessions. We also use information for evaluation and purposes to benchmark against other training we deliver. Where training is an accredited qualification, your information is required to register you for the qualification and will be stored by the governing body.

What legal basis allows you to use my information?

The legal basis for processing your personal data is consent.
The legal basis for processing your sensitive data is explicit consent for a specific purpose as stated above.

Do I have to provide this information and what will happen if I don't?

If you have not opted in and we do not have your information, you will be unable to register for training organised by the Health Improvement Team

Who will my information be shared with?

Anonymised data may be used for evaluation and benchmarking purposes and shared with external organisations including Public Health England.

Anonymous comments given by you as part of event evaluation may be shared with external organisations and used on marketing materials, press, online and other media.

Where learners are completing an accredited qualification, the learner's information will be shared with the governing body to accredit them for the qualification.

How long will you keep this information for and why?

We will not keep your information longer than it is needed and in line with the Council's Record Retention Policy and Schedule

How will my information be stored?

Your information will be stored electronically in a data base and in digital form. Electronic data is kept on a secure in-house HBC database and electronic filing system.

Will this information be used to take automated decisions about me? Yes/No

No, this information will not be used to make automated decisions about you.

Will my data be transferred abroad and why? Yes/No

If you have registered for a training session using the Eventbrite website, your data will be transferred abroad as Eventbrite is based in the US. However, this is only for processing purposes. You are not obliged to create an account with Eventbrite to register for our events. Details of Eventbrite's Privacy Policy can be found here:
