

Talk to me...

**Every word counts -
It all goes in**

TALK!
Halton

Talk to me in the garden

Playing outside can be so much fun so why not use this as an opportunity to develop their speech, language and communication skills.

 Before going outside talk about the weather – what will you need to wear? Talk about what you are doing (e.g. Mummy is putting wellies on).

 Talk about the different things you can see, hear, smell and touch in your garden. Use words to describe as well as providing opportunities to learn specific vocabulary (e.g. weather, plants, minibests).

 Collect and compare objects (e.g. leaves or sticks).

 Create a magic potion together using natural objects (e.g. petals, water and mud). Talk about what you are doing (e.g. stirring, ripping).

Mary, Mary quite
contrary

How does your
garden grow?

With silver bells

And cockle shells

And pretty maids
all in a row

All you have to do is.....TALK!

TALK!
