

TALK with toy cars

Firstly...

Face your child, get down to their level and watch what they do.

Then start to **copy** their play and **comment** on what they're doing:

"You're pushing the car... Fast car... BANG! Uh oh, car crashed."

In activities...

Building a car ramp and play ready, steady go. Remember to pause before letting the car go.

Take turns pushing cars through a tunnel.

Offer a choice: shall we push the red car or the blue car?

Model pretend play:
car wash/driving to the shops/flying car...

Words they should hear...

Stop, Go, more, again, push

Fast, slow, big, small

wheels, window, door

nee nor, beep, brum brum, zoom!
