

TALK with pop up toys

Firstly...

Face your child, get down to their level and watch what they do.

Then start to **copy** their play and **comment** on what they're doing:

"You're pushing the button. Push push!"

In activities...

Follow your child's lead. If they tap it, you tap it too.

Take turns pushing/winding the pop up toy.

Name the object that pops out e.g.
"pig..oink oink"

Hold the toy down for a moment, and wait for your child to look at you/reach/point/say a sound or word before you let it pop!

Words they should hear...

ready steady go

pop, push, tap, bang,
jump

out, in

again, more, help

names of animals etc
