

Halton Healthy Early Years Status

Early Years settings* play an important role in supporting the health and wellbeing of children and families.

*a setting may be a Nursery, Pre-School, Childminder or Family Hub.

Halton Healthy Early Years Status is based on a whole setting approach to social, physical and emotional health and wellbeing. HHEYS provides a foundation for your setting to systematically develop and improve health outcomes, and embed them in the culture of your setting.

HHEYS is not only about your setting, but also the wider community.

This HHEYS framework will help you to assess and establish a healthy culture and ethos in policies, planning and with children, families and staff.

HHEYS is **FREE** for Halton settings.

- Access to free training and support for your setting
- Free parent/carer sessions
- No portfolio required
- Renew annually
- Complete sign up in one convenient meeting at your setting

Please scan the QR code for the HHEYS request form.
