Christmas Cards that Care

With Age Well Public Health Team

Are you Looking for a fun festive activity with a little extra meaning?

We are asking for Halton Children to make or write a Christmas card and help brighten the holidays for someone in their community.

Christmas can feel lonely when we don't have many people around us. Your card could bring a smile to someone living in a care home, coming to our Age Well events, or feeling lonely at home.

HOW TO TAKE PART

1. Make or write a Christmas card.
2. Add a kind message.
3. Pop it in one of our Christmas Cards that Care boxes.
